

Did you lose  
your **RETAINER**  
or just miss out on  
Orthodontic Care  
when you were younger?

It is not too late  
to get the smile  
you want & deserve.

*Let our office HELP you today!*

It's not too late to get  
the smile you want and deserve!

**LET OUR OFFICE HELP YOU TODAY!!!**

How many times have you walked into the Dental office for your cleaning or check-up and all you wanted to do was to move one tooth that has been **BOTHERING YOU** for years.

You are not alone; many adults think that they are not young enough to have the smile that they deserve.

Did you know that this office  
has helped many patients  
just like you?

Utilizing what is called Appliance Therapy!

This is a technique that will change your life.

Using an appliance just like this one, we can move one, two or sometimes four teeth, without the use of "Braces"!

And NO, it will not interfere with your speech, they don't hurt and they are hardly noticeable.

Ask us TODAY how you can move  
those teeth that bother you the most.

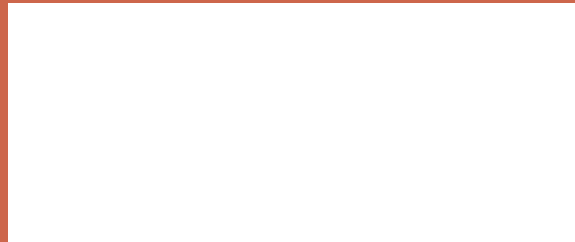

**Don't miss out, ask today  
how you can get the SMILE  
you have DREAMED about.**

**Other services your dentist can provide for a healthier, happier smile:**

- **Minor Tooth Movement**
- **Interceptive Orthodontics**
- **Head, Neck and Jaw Pain Relief**
- **Snoring and Sleep Apnea**
- **Athletic Mouthguards**
- **Appliance Therapy**
